12. Pour clean wine

The Tokajská vinohradnícka oblasť (Tokaj wine region) is interesting not only in terms of outstanding naturally sweet wines, but visitors are impressed also by its nature and traditional culture. If you are keen to learn this wine region, its winery history, visit the Tokaj region. Local wine producers will tell you traditional stories in remarkable tufa cellars while tasting excellent wines, and will familiarize you with the specifics of the Tokaj wine production.
